

Inspiration

D. Suryanarayana
Chairman

When we recollect the past, the glorified path we have adopted, the catalytic support we had in every aspect of our lives and we have emulated the ideologies of the person,

The Man of Standards
The Man of Quality
The Symbol of Simplicity
The Source of Inspiration

The sculptor who carved our career into a better shape. He is none other than, Sri Dandamenu Suryanarayana with whose inspiration the D.S.Narayana Trust was established in the year 2002 with an intention of charitable activities aimed at serving the less fortunate in the society besides setting up educational institutions, hospitals etc., that will provide training in the fields of greater importance where existing are inadequate.

SINCE 2003

SAI EDUCATIONAL INSTITUTIONS

For admission details contact :

Need

Doctor presumes, but the angels who administer the real medicine are the well trained Nurses. They infuse a living confidence and enlighten their lives with interest and whole hearted love, affection and care. Patients need not only medicines, but also soft words and loving care. This loving care, this love for the disappointed patients or any other Wretched people can restore their happiness.

As such the need for well trained graduate nurses is largely and universally felt. Hence, here is the institution meant for creating world class nurses as would make the world a happy place to live in with their real nursing interest.

To fulfill the growing consciousness of health care activities, the D.S.Narayana Trust has set up Sai College of Nursing and Sai Institute of Para - Medical Sciences to train graduate nurses well equipped with the essentials that make them real world class Nurses.

Sai College of Nursing and Sai School of Nursing are recognized Nursing Institutions established during the Academic Year 2003-04 with the permission of Govt. of Andhra Pradesh Approved by Indian Nursing Council, New Delhi, A.P. Nursing Council, Hyderabad and Affiliated to Dr. N.T.R. University of Health Sciences, Vijayawada.

Class Room

Every class room is spacious, colorful and built with care. The classroom will incorporate modern teaching aids like computers, television, overhead projector and LCD projectors. Custom designed furniture to facilitate individual study. This apart, the classroom will be filled with relevant charts, soft boards and other visual aids. Students will enjoy fresh air at all times, unless of course, the weather calls for air conditioning.

Faculty

At Sai group of institutions the faculty whom we consider the backbone of our institutions possess an inherent ability to inspire and ignite the minds of the student community to explore the innate talent. Well qualified Professors, Asst. Professors, Lecturers, Tutors and Administrators together form an integral part of Sai Group of Institutions.

There are considerable numbers of faculty who tirelessly, competently make themselves available with commitment and dedication all the time enhancing the student's abilities and ultimately making them to reach their goals of Excellence.

Laboratories

Clinical training at Sai College/School of Nursing is at 300 bedded Sai Super-Speciality Hospitals, Sree Latha Hospitals, Royal Hospitals, Rajahmundry, also at 250 Bedded Government general Hospital, Rajahmundry with all facilities of Medicine, where the M.Sc.(Nursing)/ B.Sc.(Nursing)/ G.N.M. students have the unique opportunity of observing, learning and conducting nursing and Clinical practices. Studying in the proximity of such outstanding super specialty hospitals, the M.Sc. (Nursing)/ B.Sc. (Nursing)/G.N.M. students can gain rich experience and skills and they are being taken to a few other super specialty hospitals for clinical practices to expand their horizons of knowledge and Nursing skills.

Library

The library at our institution is well stocked with finest collection of Medical, Nursing, English, General knowledge books etc. by great authors and leading National & International Magazines, Journals, Encyclopedias, Videos, CD ROMs, Films, Music and other resource materials providing students an opportunity to appreciate subjects well beyond the classroom round the clock.

Study Hours

To Move Ahead In Right Direction

At Sai College of Nursing the way of teaching and ability of the faculty has been attracting students' attention and is elevating their grasping level of the subjects. The well experienced and qualified faculty are made available to the students during study hours to clarify their doubts and help the slow learners. The study hours are divided into different timings for different subjects.

Hostel

Safe and Comfortable Residential Accommodation

Hostel accommodation is made available within the campus ensuring privacy, freedom and safety under the direct supervision of Mrs. D.B. Malathi Devi, Director of this institution. Students coming from different states of the country are pleased with the food and menu provided.

"I am really proud to be part of Indian Army (Military Nursing Services), it's only because of my education in Sai College of Nursing. I am grateful to Sai and its management forever."

- Rajitha Pillai, B.Sc. (N) Military Nursing Services Indian Army, Mumbai.

"I have studied in Sai College of Nursing because somebody suggested this college. When I was attending interview with Escort Heart Institute, just before conclusion of interview, the interviewer asked me where I studied and told me to convey thanks to the management of Sai for having given me good education. Then I found the difference between Sai and other institutes. I am thankful to Sai and its team."

- Renu Venugopal, B.Sc. (N) Escort Heart Institute, New Delhi.

"If I look back myself before joining in this institution and after completion of my course, I have got tremendous confidence in me and learnt good communication and clinical practices both in theory and practice from Sai College."

- Premi Kumanthen, G.N.M. Apollo Gleanagles Hospitals, Kolkata

"I am very much thankful to Sai College for giving lot of knowledge and motivation to reach this position. The training provided here has helped me a lot in my life. Once again I am very thankful for everything."

- Jisha Shaji, B.Sc. (N) Ruby Hall Clinic, Pune.
